

Applied Math Training

Math Skills for Employment

This training is being encouraged by local employers.

Successful completers will receive a certificate and be granted job preview/plant tours and interviews at participating companies.

Participating companies: **Altec, Plum Building Systems, and Salford Inc.**

Classes held at Southwestern Community College
Osceola Center, 2520 College Drive, Osceola

Mondays & Thursdays

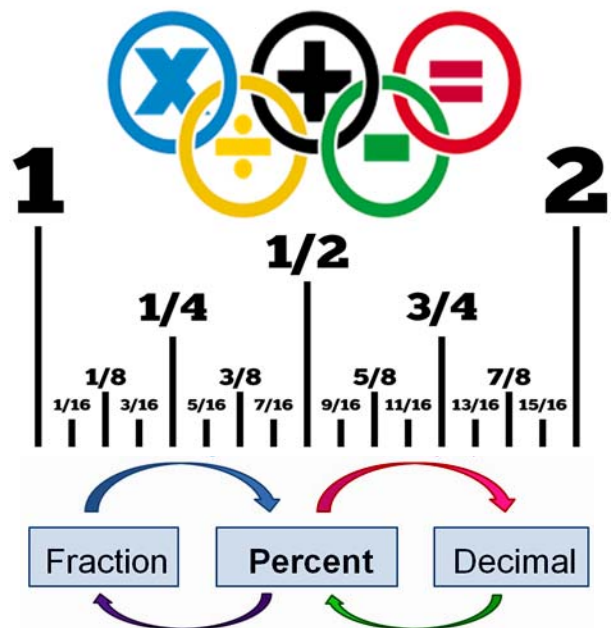

2:00 - 5:00 pm

**November 6, 9, 13, 16, 27, 30,
December 4 & 7, 2017**

This class will provide participants with basic applied math skills needed for employment with area employers.

Instruction will include reading a tape measure, fractions, decimals, percentages, solving math problems, common figures, and measurement systems.

Training will also include hands-on application and work readiness skills.

Funding for this training is provided through SWCC's adult education and literacy program
