

# How to Register for the Bike Share System

1

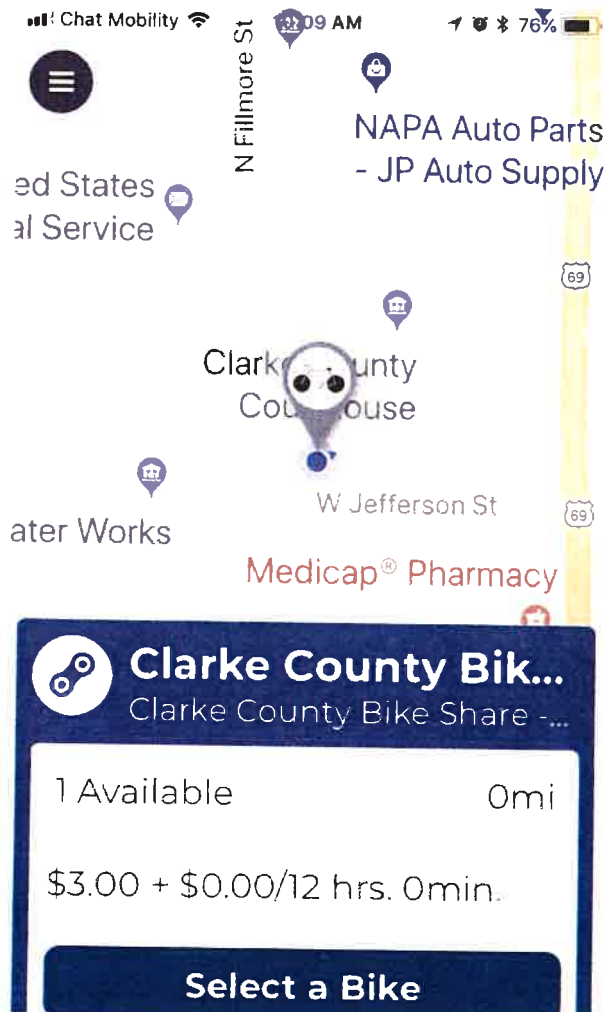

From the iTunes store or Google Play store, search for, download, and install the App called:

**Movatic**

Detailed instructions available at:

[www.facebook.com/clarkecountypublichealth](http://www.facebook.com/clarkecountypublichealth)

Once you complete the app download and all the required information, your screen should look like this.

You now can click the bike icon and then click "rent a bike" at the bottom, you will then be guided through the rental process.

Instructions for removing the bike from the rack and returning the bike to the rack can be found on our Facebook page, website, or on the display board near the bikes.

Happy Trails 😊
