

Trick or Treat
AWAY 6 FEET

HALLOWEEN

LIKE WE'VE NEVER SEEN

MAKE IT SAFE & KEEP IT FUN

If you have COVID-19 or may have been exposed to someone with COVID-19, you should not participate in in-person Halloween festivities and SHOULD NOT give out candy to trick-or-treaters.

PLEASE RECOGNIZE THE COVID-19 AND INFLUENZA SAFETY TIPS TO PREVENT THE SPREAD OF THESE VIRUSES:

- All persons trick or treating or treat-giving should wear a mask that covers the mouth and nose when participating in Halloween activities.
- Ask your children to maintain at least six feet distance from non-family member trick or treaters and treat-givers.
- Only accept factory wrapped treats. Avoid homemade treats made by strangers.
- Wash your hands/use hand sanitizer before, during, and after trick or treating.
- Wipe off candy wrappers with sanitizing wraps when you arrive home.
- If your child is at greater risk of complications from COVID-19, contact your healthcare provider before allowing participation in Halloween activities.
- Treat-givers: Refrain from having children select their own treats from a common container. Leave individual grab bags or paper cups filled with goodies outside your door for children to take, or drop candy in bags for children (while wearing a mask).
- Get vaccinated for Influenza!

**THE CITY OF OSCEOLA HAS DECLARED SATURDAY, OCTOBER 31ST,
5:30 TO 8:00 PM FOR TRICK OR TREATING!**

We do ask for our residents to be considerate and turn on their outdoor lights if they wish to have visitors for the evening.

We also ask all of our young residents when out for the evening to be respectful of our community and follow all pedestrian traffic laws.

The City of Osceola wants to make sure the Halloween trick or treat festivities are as safe and fun as possible for everyone involved

-Thank you!
